

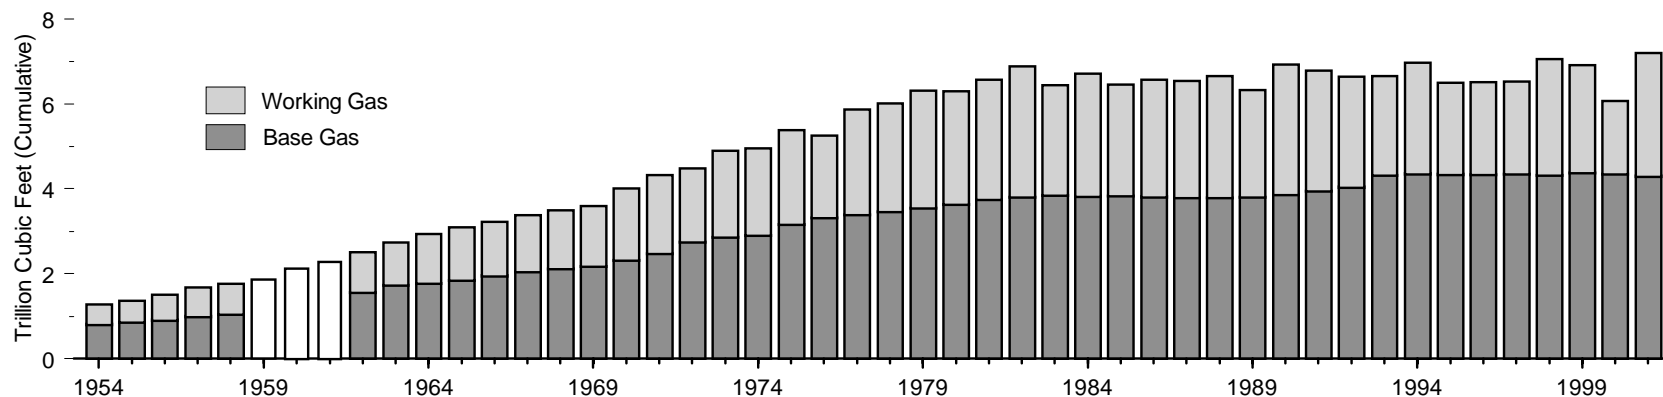

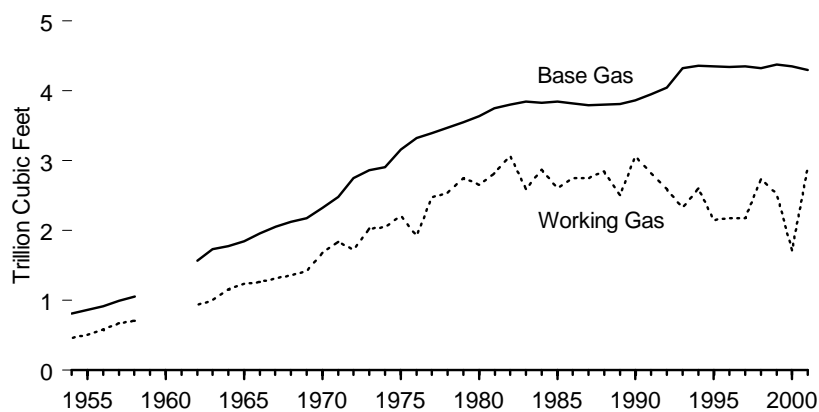

**Figure 6.6 Natural Gas in Underground Storage, 1954-2001**

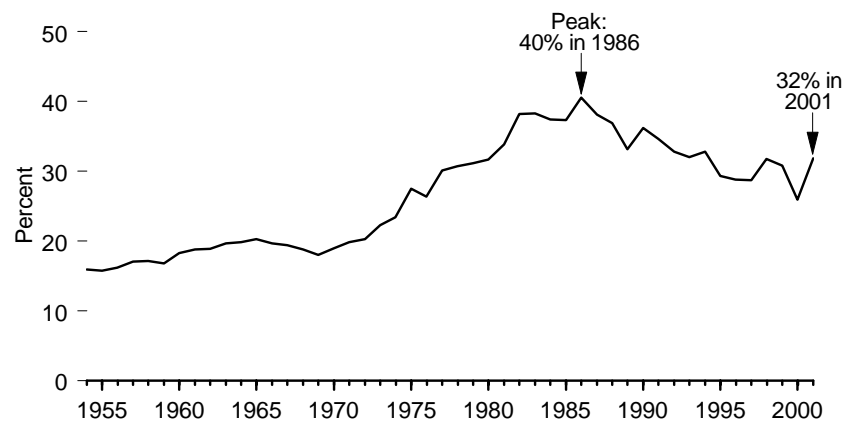

**Total**

**Base Gas and Working Gas**

**End-of-Year Storage as a Share of Total Consumption**

Notes: • Storage is at end of year. • Because vertical scales differ, graphs should not be compared. • Working- and base-gas component data were not collected in 1959, 1960, and 1961.
